

APPEAL NO. 031268
FILED JULY 8, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on April 23, 2003. The hearing officer determined that respondent (claimant) had disability due to the _____, compensable injury from June 25 through July 22, 2002, and from July 31, 2002, and continuing through August 29, 2002. The hearing officer also determined that claimant was not entitled to reimbursement for travel expenses for medical treatment. Appellant (carrier) appealed the determinations regarding disability on sufficiency grounds. The file does not contain a response from claimant. The determination regarding reimbursement was not appealed.

DECISION

We affirm.

We have reviewed the complained-of determinations regarding disability and conclude that the disability issue involved a fact question for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determinations are supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
